

June 29, 2023

To all our patients, families, and friends,

We hope that this letter finds you happy, healthy, and thriving in 2023! We are excited to announce an upcoming change in our practice. After forty years in dentistry, it is time to close one chapter and start another – retirement.

In order to continue what we have grown and loved about our practice, we have spent a good part of the past year searching for someone that we felt would be a good fit to continue with patient care after my departure. We are proud to share that as of July 7th, 2023, Dr. Marcus Hoang and Dr. Dylan Hoang, brothers, will be taking the practice forward. I may still be around the office after July 7th, to assist in finishing with any care started and to help in the transition in any way I can. Our amazing staff will continue to help with all of your dental needs and will assist Dr. Marcus and Dr. Dylan with patient care, so there will still be a lot of familiar faces.

These two wonderful dentists have the training, ability and experience to not only provide the dental care you have become accustomed to, but may also be adding services currently not available, while streamlining some existing systems for our patients and staff in the future. Their goal is to grow and thrive in the private practice setting while keeping the patient at the core of their practice philosophy.

Included in this letter is a brief biography for both Drs. Marcus and Dylan Hoang.

From the bottom of my heart, I want to thank you for the years of loyalty and the opportunity to provide your dental care. While sad

about leaving the profession that I've spent the last forty years enjoying, I am excited as I look forward to enjoying more leisure and personal time, traveling to new adventures and spending more time with our three grandchildren as we transition to our new home in Nebraska. Your support of Dr. Marcus and Dr. Dylan and our staff will be the ultimate compliment to me. Both doctors look forward to personally meeting every one of you in the near future. Your dental records will remain with the office so you will always be greeted as one of our loyal patients. I know you will be in very capable hands as Dr. Marcus and Dr. Dylan will be reviewing each patient's dental history and records to ensure continuity of supportive care.

It has been an honor and privilege to be 'your dentist' these many wonderful years. Please feel free to give us a call with any questions you may have.

With Sincere thanks and gratitude,

A handwritten signature in black ink, appearing to read "Scott R. Welch". The signature is fluid and cursive, written on a white background.

Scott R. Welch, DMD.

Introducing Dr. Marcus & Dylan Hoang;

Dr. Marcus Hoang is a second-generation dentist. He developed his passion for dentistry at the age of 15, where he would go to his father's dental office to help as a dental assistant. Dr. Marcus takes a comprehensive and holistic approach to dentistry and treats each patient according to their individual needs and desires. Dr. Marcus emphasizes ethical and empathetic dental care and treats each patient as if they were his family. Dr. Marcus enjoys practicing all aspects of dentistry including restorative, endodontics, prosthodontics, periodontics, oral surgery, implant dentistry, orthodontics, cosmetic dentistry as well as pediatric/family dentistry. His goal is to provide for all his patients' needs under one roof.

Dr. Marcus received his Bachelor of Science in Biology at James Madison University in Harrisonburg, Virginia. He went on to pursue his Doctorate of

Dental Surgery at New York University College of Dentistry in New York. Having over 18 years of experience in the dental field, Dr. Marcus continues to pursue his knowledge in the dental field by taking continuing education courses and consistently reading literature to stay up to date with the latest techniques and technologies.

Dr. Marcus is originally from Virginia and moved to Colorado for the beautiful climate and nature. He enjoys spending time with his family, exploring and traveling. He is also an avid skier and loves to stay active. Most of his free time is spent with his wife raising their two young children.

Dr. Dylan Hoang, like his brother, Dr. Marcus, also started his dental journey early on working for his father as a dental assistant. Dr. Dylan practices conservative dentistry and believes that prevention is essential in maintaining oral health. He enjoys educating patients to help guide them to make the best decision for their oral health. He aims to perform each procedure in an ethical, empathetic, and compassionate manner. Dr. Dylan utilizes the latest advances in dentistry to provide a beautiful and healthy smile for all of his patients. He enjoys all types of dentistry, including restorative dentistry, prosthodontics, endodontics, oral surgery, and pediatrics.

Raised in Virginia, Dr. Dylan earned his Bachelor of Science in Biology from James Madison University in Harrisonburg, VA, and went on to attend The University of Pennsylvania School of Dental Medicine in Philadelphia, PA. In order to provide his patients with the most advanced dentistry, Dr. Dylan regularly attends continuing education courses to stay up to date with the latest techniques and technologies.

Dr. Dylan recently moved to Colorado with his wife, and their Border Collie, Winnie. When he's not in the office, you can certainly catch him spending time with his family, whether it's skiing, hiking/camping, or exploring the Denver food scene. He loves everything that Colorado offers and is extremely excited to give back to his community.
